If ETEA considers that more than 60 days are required to process and finalise a complaint or appeal, it will:

- a) inform the complainant or appellant in writing, including the reasons why more than 60 days are required;
- b) regularly update the complainant or appellant on the progress of the matter, and

ETEA will attempt to resolve all complaints within 20 days of the receipt of the complaint.

ETEA will commence the process within 10 working days of receiving the formal written complaint or appeal.

A student may present his or her case in person in respect to the informal and formal complaints and appeals, and may be assisted or accompanied by a support person.

The records of all complaints and appeals (other than the informal complaints referred to in clause 2 of the Complaints policy below) and their outcomes are securely maintained by ETEA.

ETEA will ensure that there is a written record of the informal complaint or appeal, and that the written record is maintained if the student is not satisfied with the result or conduct of the informal complaint or appeal.

If the student is not satisfied with the result or conduct of the internal complaint handling and appeals process, the student has the right to access the external appeals process at minimal or no cost. ETEA shall advise the student of this right. The student shall advise ETEA that he or she wishes to access the external appeals process and ETEA shall arrange that access with the external body within three days of being advised by the student. (Unless the student advises that he or she wishes to contact the external body.)

- a. The external independent mediator for local students is the Australian Mediation Association Phone no. 1300 633 428.

The external body for international students is the Overseas Student Ombudsman. Contact details: 1300 362 072, Email ombudsman@ombudsman.gov.au. Nothing in this policy and procedure inhibits, or prevents, a student's right to pursue other legal remedies. Students can contact the Law Institute of Victoria, 470 Bourke Street, Melbourne, on 96079311, for a referral to a solicitor.

In respect to International students—

1. Subject to clause 3 hereof, ETEA will maintain the student's enrolment while the internal complaints and appeals process is ongoing.
2. ETEA will not report an overseas student through the Provider Registration and International Student Management System (PRISMS) for unsatisfactory course progress, if the student has properly accessed the internal and external complaints handling and appeals process, until the decision or recommendation of the Overseas Student Ombudsman supports the decision of ETEA.
3. If the appeal is against ETEA's decision to defer or suspend a student's enrolment for misbehaviour, or to cancel a student's enrolment, ETEA will not proceed until the internal complaints process has been completed. ETEA will not, however, maintain the student's enrolment, even if the appeals process has not been completed, if there are "extenuating circumstances" (see CRICOS Standard 13.4) ETEA will ensure that the evidence in respect to the extenuating circumstances "is kept on the student's file.
4. 4. International students will be informed that, in most cases, the purpose of the external appeals process is to consider whether ETEA has followed its policies and procedures, rather than making a decision in place of ETEA.
