

Certificate IV in Mental Health

CHC43315

This qualification covers workers who provide a range of community services focusing on:

- Rehabilitation and support for people affected by mental illness and psychiatric disability.
- Implementing community based activities focusing on mental health, mental illness and psychiatric disability, and
- Mental health promotion work.

Work may focus on engaging people with a mental illness in community participation, prevention of relapse and promotion of recovery through programs such as residential rehabilitation, work in clinical settings, home based outreach and centre-based programs delivered by community based non-government organisations. This work may also involve support employment and programmed respite care.

Occupational titles may include:

- < **Community rehabilitation and support worker**
- < **Community support worker**
- < **Mental health outreach worker**
- < **Mental health rehabilitation support worker**
- < **Mental health support worker**
