

Certificate III in Pathology Collection HLT37215

This qualification reflects the role of pathology collectors. Workers in this role follow known routines and procedures, taking responsibility for their own work under general supervision. They combine communication, customer service and technical skills, and use discretion and judgment to adapt and transfer their skills to different situations.

Occupational titles may include:

- < **Pathology collector**
- < **Pathology assistant**
- < **Specimen collector**
- < **Pathology team leader**

COURSE REQUIREMENTS:

DOMESTIC STUDENTS

Training and assessments are conducted in English. A pre training intake interview will be conducted and each learner will undertake a Language, Literacy and Numeracy Assessment.

There are no entry requirements for this qualification (contextualised with no specialisation) as per the Health Training Package.

INTERNATIONAL
