Australian Qualifications - Offshore Delivery

(CHC33021)*

Certificate III in Individual Support

\$5,000 USD

**Practical Placement: 120 hours*

This qualification provides training and education to reflect the role of employees who work under supervision and delegation to provide support for clients in the community, home, or residential care settings. The student will build skills to follow an individualised plan and provide person-centred support to clients who require support due to ageing or disability.

A Certificate III in Individual Support opens a career path for roles within a wide range of professional healthcare settings, including hospitals, private residences, retirement homes, residential care facilities and groups that serve the community.

Potential Employment Outcomes Include:

- Disability Support Worker
- Aged Care Support Worker
- Nursing Assistant
- Personal Care Worker
- Home and Community Care Worker
