Australian Qualifications - Offshore Delivery

(CHC40321)*

Certificate IV in Child, Youth and Family Intervention \$5,000 USD

**Practical Placement: 120 hours*

This qualification provides training and education to reflect the role of individuals who work within youth and family intervention, which often specialises in residential and out-of-home care, family support and early intervention. The course provides students with the key skills to support at-risk children, youth and families through early intervention and family support services to improve their wellbeing.

Certificate IV in Child, Youth and Family Intervention opens a career path for roles within various settings, such as residential and out-of-home care, support services, education settings and more.

Potential Employment Outcomes Include:

- Care Worker
- Child Protection Support Worker
- Early Intervention Worker
- Foster Parent/Carer
- Youth Justice Worker
- Child Safety Support Officer
- Entry Level Case Worker
