Australian Qualifications - Offshore Delivery

(BSB50120)

Diploma of Business

\$10,000 USD

This qualification reflects the skills required of a business manager who provides support for the effective functioning of a business in various industries. The course provides students with the necessary training to build the skills needed to provide a safe working environment, while leading/supervising people in a business setting.

At course completion students should have effective problem-solving skills within business and social challenges, skills in identification, research, analysis and evaluation and be competent in creating effective, innovative and sustainable solutions.

Potential Employment Outcomes Include:

- Office Manager
- Team Leader
- Retail Manager
- Program Coordinator
- Business Owner
- Unit Manager
- Business Development Manager
