Australian Qualifications - Offshore Delivery

(CHC51015)

Diploma of Counselling

\$10,000 USD

This qualification reflects the role of a counsellor. The course provides the pivotal training that guides students on how to work with clients on personal and psychological issues, using established counselling methods.

Students will learn communication, micro-counselling and interviewing skills, as well as varied counselling therapies.

A Diploma in Counselling opens a career path for roles in community organisations, mental health facilities, schools and private practices.

Potential Employment Outcomes Include:

- School/Couples/Family Counsellor
- Rehabilitation Counsellor
- Welfare Support Worker
- Youth Worker
- Crisis Intervention Worker
- Case Manager
- Support Coordinator (NDIS)
