# Australian Qualifications - Offshore Delivery

(CHC53315)\*

## Diploma of Mental Health

\$10,000 USD

*\*Practical Placement: 160 hours*

This qualification reflects the role of a professional who provides services to clients with mental health difficulties. The course offers the essential training for students to learn how to provide counselling, referral, advocacy and education/health promotion services.

On completion of the Diploma, students should have a high level of specialist knowledge, skills and competencies, particularly in relation to laws, available services and health issues relating to mental health.

A Diploma of Mental Health opens a career path for roles in community organisations, mental health facilities, government organisations and private practices.

### Potential Employment Outcomes Include:

- Mental Health Support Worker
- Community Support Worker
- Rehabilitation Worker
- Wellbeing Consultant
- Disability Support Worker
